

Dorset Primary School

Foundation Student 12 week Transition Program for School 2019

Tours are available at
any time upon request!

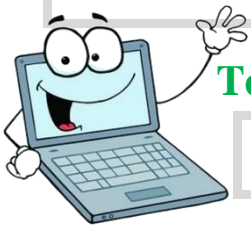

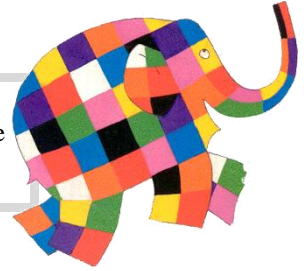

All sessions begin at 2:20pm and end at 3:20pm

Term 3

Story and Activity Session

Week 7 Thursday 30th
August

Welcome to Dorset Primary School!
Children are invited to join the Foundation teachers for a story and activity in the Foundation classrooms.

Technology Session

Week 8 Thursday
6th September

Come and explore some of the fantastic computer and iPad resources we have for learning in our classrooms.

Mathematics Session

Week 9 Thursday 13th
September

Counting is fun! Enjoy some mathematical games and activities with the Foundation teachers in the Foundation classrooms.

Perceptual Motor Program (P.M.P.)

Week 10 Thursday
20th September

Children are invited to join the Physical Education Teacher in a PMP session. The children will be introduced to the program and are able to enjoy a variety of activities that enhance their co-ordination and motor skills.

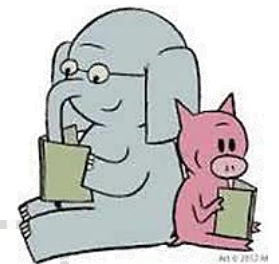

Term 4

Literacy Resources Centre (L.R.C.)

Week 1 Thursday 11th
October

Come and share a story with us! Children are invited to join the Foundation teachers for a story and activity in the Foundation classrooms.

Performing Arts Session

Week 2 Thursday
18th October

Let's make some music! Children will be introduced to the Performing Arts program where they can join in singing and movement activities.

Italian

Week 3 Thursday
25th October

Ciao! Meet our Italian Teacher, Signore Ricci. He will introduce you to some of the words and songs you will learn in our wonderful LOTE program.

Meet your Grade 5 'Buddies'

Week 4 Thursday 1st November

Our Foundation/Buddy Program is well organised and very special to the children. The children will work on an activity with a Grade 4 student who may become their buddy in 2019. *Permanent buddies will not be chosen until Term 1 2019.*

Transition will not run in Week 5

'Our Beautiful Garden'

Week 6 Thursday 15th November

We are a sustainable school and our vegetable garden is continuously growing. The children will be joined by Jane, the Kitchen/Garden co-ordinator, to discuss our garden and have fun planting some new seedlings. The school hens will join the children as they plant!

Cooking

Week 7 Thursday 22nd November

Come along and make a yummy creation! Students will have the chance to create their own culinary masterpiece! (Please inform the Foundation Teachers of any allergies your child may have)

'My Playground' Visit

Week 8 Thursday 29th November

The children are invited to join the Foundation teachers in various Developmental Play Activities. They will also venture to the playground where Foundation children have their own special area to explore.

Christmas Party

Week 9 Thursday 6th December 2:00 – 3:30pm

Children and parents are invited to join the teachers in a fun filled and exciting session full of Christmas activities and cheer. Our parental and community involvement is essential and makes this session a great success.

Foundation Parent Information Sessions 2019

Term 2

2019 School Readiness Evening

Week 6 Thursday 17th May 7:00pm - 8:00pm

Enrolled and interested parents are invited to an Information Evening about Foundation at Dorset in 2019. You will be provided with specific information about routines at Dorset and things to expect and to prepare for in the coming year. The Foundation teachers will be available for questions.

Term 4

2019 Foundation Information Session

Week 5 Thursday 8th November 7:00pm - 8:00pm

Enrolled and interested parents are invited to an Information Evening about Foundation at Dorset in 2019. You will be provided with specific information about routines at Dorset and things to expect and to prepare for in the coming year. The Foundation teachers will be available for questions.

2019 Foundation Interviews

Week 7 Monday 19th to Friday the 23rd November

Parents of children beginning Foundation at Dorset in 2019 will have an interview with the 2019 Foundation teachers. These interviews will be used as a guide when forming our 2019 Foundation grades. The information you provide give us a better understanding as to how we can support your child during their start to school.
